Irma Baird -Ocean Blvd.

By: April Lewis

Let me introduce you to a very special elder named Irma Baird, who stays on Ocean Boulevard. She was born in the 1940s- a tumultuous time, when the Japanese attacked Pearl Harbor, Mount Rushmore was completed, and Anne Frank went into hiding.

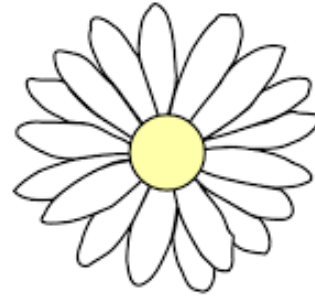

I had asked some questions about Irma and her life and I wanted to share her answers with you. Irma was born in Wheeling, West Virginia, and calls Pittsburgh, Pennsylvania her home. She also has a sister, and a pre-deceased brother.

Irma said that she played tennis after school, and also had cats while growing up. Her heroes and role models were her family and her dad when she was younger. Irma told me that her first job was selling refreshments at the peninsula in Pennsylvania. I had asked her what she wanted to be when she grew up and she said that she majored in Spanish, so perhaps she would be a teacher or work in the business world. Irma also said that her favorite job was social work in Pennsylvania.

Irma said that she met her husband in college, and that they have been married for 52 years. When asked about the secret to a happy marriage, her response was 'to keep humor in it.' Irma and her husband have two children; a boy and a girl. I asked her about her hobbies and she said that they are reading, and computer time. Irma also said that it's hard to choose a favorite food, but mashed potatoes with butter was mentioned.

Irma said that she would like her children to remember that she loved them and tried to be a good model for them.

ELDER CORNER

Ruth Gerrald -Care Lane

By: Barbara Klingler

Ruth Gerrald is from Marion County, SC. When she was younger enjoyed making blankets with her mother and to also go fishing. Her family had dogs when she was a child.

Her favorite childhood memories were playing Red Rover, looking for 4-leaf clovers and playing the thimble game. She also liked to jump rope and hula-hoop.

Ruth and her sister liked to make mud pies. One time they found a baby turtle they named Myrtle. When the turtle died they had a funeral for it.

Ruth used to work at Russel Stover Candy Factory. She would eat some of the candy and it was "so good".

We would like to thank our vendors for being so wonderful during National Nursing Home Week! We love our vendors and are so thankful for them. They go above and beyond for our residents at Kingston Nursing Center!!!

Eden Alternative

Our Vision: To eliminate loneliness, helplessness, and boredom.

Our Mission: To improve the well-being of Elder's and their care partners by transforming the communities where they live and work.

Principle 6: Meaningless activity corrodes the human spirit. The opportunity to do things that we find meaningful is essential to human health.
